TANKS												
Number of tanks		3	4	5	4	4	5	4	2	1	2	3
Diesel Gallon Equivalent (DGE) capacity per tank (gallons)		16.5	16.5	16.5	14.8	16.5	14.8	25.8	41-22	22	43	43-10
SYSTEM IMPACT ON BODY DESIGN												
Estimated increase to overall height (OAH) (inches)		N/A	N/A	N/A	10in ^B	18	10in ^B	13in ^C	N/A	N/A	N/A	N/A
Estimated increase to wheelbase (WB) (inches)		18-24in	18-24in	18-24in	N/A	N/A	N/A	N/A	N/A	N/A	N/A	N/A

A) 22 DGE frame configuration in addition to a roof mounted configuration
B) Estimated increase to overall height (OAH) 17 1/2" for Leach body
C) Estimated increase to overall height (OAH) 20 1/2" for Leach body
D) On Leach Alpha-III, on body sizes 25 yd³ and up

LABRIE ENVIROQUIP GROUP

Labrie Enviroquip Group is one of the largest manufacturer's of refuse and recycling collection vehicles in North America. Our product lines of Labrie, Leach, and Wittke are renowned to be the most reliable, efficient, productive, and innovative in the solid waste industry today.

Throughout our history, we have been recognized for the design and production of the highest quality vehicles available on the market, while our customers benefit from a single trusted source of engineering expertise.

At Labrie we continually push the boundaries of innovation to provide a greener, safer, smarter and more efficient way of waste management and collection.

We are committed to building and delivering the finest refuse collection equipment in the industry to suit all of your collection needs. With the strongest dealer network in the industry (over 45 distribution points across the continent), our stock and demo program, engineering expertise, and the Labriepius 24/7 customer support center, Labrie delivers the ultimate ownership experience.

Labriepius is Labrie's full service customer support center located in the U.S. Its mission is to provide quality replacement parts and premium hands-on field support to Labrie equipment owners. Labriepius is the single source for Labrie, Leach, Wittke and Pendpac OEM and selected all makes of parts.

DRIVE EXCELLENCE

Labrie is certified ISO 9001:2015 and attests to the quality of these products. Labrie has made every reasonable effort to ensure that the information contained in this brochure is accurate. However, we accept no responsibility for any errors or omissions, and we reserve the right to modify designs, characteristics and products at any time.
