

EQUIP YOUR FLEET

WITH THE ALL-NEW

MUDSLINGER™ MXT

HYDROVAC TRUCKS

SIMPLE YET POWERFUL

THE BRAND YOU TRUST IN THE CONFIGURATION YOU NEED.

The Mudslinger™ MXT is your answer for municipal fleet solutions. Derived from our military/municipal specifications, this unit is available in a range of options to take on the tasks of government departments.

The MXT is an economical, truck-mounted hydrovac machine. The simple design and configuration make it easy for operators of all skill levels without sacrificing power or performance known from Vac-Con units.
